

WIZO. Women Taking the Lead

President's Office

Dear chaverot,

***It is better to lead from behind and to put others in front,
Especially when you celebrate victory when nice things occur.
You take the front line when there is danger.
.....That is real leadership.***

Nelson Mandela

In three months' time, we will gather at the **26th World WIZO EGM**, here in our beloved Israel. The 26th EGM has special significance for me as it marks **50 years of WIZO voluntarism and the end of my 4 year term as World WIZO President**, and my standing down as I announced last year.

I hope to share with you precious memories and milestones of my 50 year WIZO life, and to respect and **welcome the New President**.

In spite of the difficult times and budget constraints, we cannot consider, under any circumstances, not holding an EGM to mark **WIZO's 95th Anniversary**, and we will celebrate in a dignified manner befitting our great movement.

It will give more WIZO chaverot the opportunity to come and see for themselves WIZO blessed work, so that upon returning home, they can spread first hand testimony about our commitment to improving the society in Israel by providing for the welfare and education of children, by advancing the status of women in Israel and by serving as a bridge between our beloved homeland and our chaverot around the world.

WIZO has come a long way, but our work is far from done – Israel still needs us. WIZO is a strong movement that never loses sight of its vision and goals. That is why through thick and thin, good and bad – WIZO always bounces back – stronger than before.

Please join us at the 26th EGM – you will not want to miss such a milestone marking, interesting, informative, inspiring and motivating Conference.

Until then, I remain,

Affectionately,

Tova Ben-Dov
