WIZO Touching the Lives of Israelis Since 1920.
ONE FOR ALL

1920
WIZO, the Women’s International Zionist Organization, was established in London as a non-partisan movement to improve Israeli society. Since then, it has become an integral part of the lives of hundreds of thousands of Israelis, women, men and children.

A GLOBAL WORLDWIDE FORCE
drives WIZO. With their support, we can give underprivileged populations in Israel the opportunity to create a better future, lead the struggle to promote women’s rights, raise the next generation, and strengthen vulnerable families.
